

BEECHWORTH PRIMARY SCHOOL No.1560

Planner - Term 3 2015

Focus: PERSISTENCE

Teachers and children work on habits of the mind that support **persistence** such as: * It takes effort to succeed and your effort is so important to your success. * We are all encouraged to keep trying even though it can be hard. * We support everyone in not giving up but to hang on in there. * We celebrate effort and trying hard. * We are creative and endeavour to look at problems and challenges from all angles.

<u>Examples of persistent behaviour are:</u>	<u>Values and Habits of the Mind associated with this foundation</u>
• Having a go	• Listening with understanding and empathy
• Not giving up	• Questioning and problem solving
• Trying different approaches	• Imagining and innovating
• Being determined to succeed	• Thinking Independently
• Taking responsibility for the effort required	• managing impulsivity
• Thinking clearly about what is being asked	• Thinking flexibly
• Having the courage to keep going	• Applying past knowledge to new situations
• Showing enthusiasm about tough work	
• Looking for other ways to assist us	
• Thinking flexibly
